I'll Protect You

~I'll Protect You~

You see me as your leader

Sometimes as a heartless jerk

But I really do have feelings

So it can really hurt

When something happens to my sister

Or any one of you

And sometimes even I

Have no idea what to do

But it's really up to me

What path we take each day

It's really up to me

To make sure that your all OK

Especially my sister

Cause I've screwed up in the past

At the moment she seems to be OK

But who knows if that'll last  
It's my job to protect her  
My job to protect you all  
It's my job to be careful  
And make sure none of you fall  
If anything should happen  
It would be all my fault  
I couldn't help but blame myself  
Cause a leader should exalt  
But I guess I'm not that leader  
The one you really need  
It seems that I do something wrong  
With every new deed  
But though I am not perfect  
And in case you never knew  
I will always be there  
To protect all of you.

End  
file.
